

Gary Bishop Wedding Photography Price List 2009/10

www.garybishoppography.co.uk

Option 1

The starter option is designed for Registry Office weddings and small civil ceremonies, generally at one venue. This is for mid-week and Saturday morning weddings and gives you coverage of approx 2 hours, photos before the ceremony to photos after the ceremony outside the venue. There are 2 choices here of either all images on CD or 30 (5x7) photos of your choice. **£450.00**

Option 2 - Photography/CD's

This offers you the option of having your wedding photographed and all of the images supplied to you on CD. This consists of 2 CD's each containing a selection of the images shot on the day. One CD is of the high res JPEG images, these are ready for you to get printed as and when you please with no restriction on copies produced. This means that you do not have to come back to me for further prints and that you can produce your own album of photographs. The second CD is a copy of the first, but the images are resized for ease of emailing and for you to build your own webpage if you so wish. The photographic service covers the whole day from about an hour before the ceremony through to speeches and first dance.

This includes a presentation case.

All images (approx 450) £850.00
